Puss in Boots discovers that his passion for adventure has taken its toll: he has burnt through eight of his nine lives. Puss sets out on an epic journey to find the mythical Last Wish and restore his nine lives.

Critically acclaimed, **The Whale** tells the story of a reclusive English teacher suffering from severe obesity, who attempts to reconnect with his estranged teenage daughter for one last chance at redemption

In **Magic Mike's Last Dance**, Mike Lane takes to the stage once again when a business deal that went bust leaves him broke and bartending in Florida. Hoping for one last hurrah, Mike heads to London with a wealthy socialite who lures him with an offer he can't refuse -- and an agenda all her own.

Superhero duo Scott Lang and Hope Van Dyne return in Marvel Studios **Ant-Man & the Wasp: Quantumania**. Finding themselves in the Quantum Realm, they must interact with strange new creatures, and embark on an adventure that pushes them beyond the limits of what they thought possible.

In the comedy/thriller, **Cocaine Bear**, an oddball group of cops, criminals, tourists, and teens converge in a Georgia forest where a 500-pound black bear goes on a murderous rampage after unintentionally ingesting cocaine.
